a Rome l'an

AV LECTEVR

Je Scay que ce petit ouurage que ie metz en lumiere ne Sera pas exempt de la Censure. Si ie lespereois autrement iaueois aussi peu de raison, que ceux qui me reprendront mal à propos: cest pourquoy, ayant preueu ce qui en peut ariuer, il Seroit inutile de men plaindre. Iaduoüe toutefois que le desir que iay naturellement de plaire à tous, a esté long temps en equilibre auec la crainte de ne te Satisfaire pas assez, & confesse franchement, que iattens beaucoup plus de ta courtoisie, que ie nôze esperer de mon merite. Si tu me traites fauorablement, tu me donneras courage de faire mieux, & te montreras equitable en tesmoignant de linclination a loüer ce qui est bon: & Si tu excuses les defaux qui Si pourront rencontrer, ce Sera une marque assuree de ton humanite & de ta gentillesse. Adieu

Notations

Quand vous verrez cette croix × vous tremblerez mettant un doid sur la lettre & tremblez d'un autre: cette estoile * est mettre le doid sur la lettre & bransler la main. Quand vous trouverez ce rond O & une lettre dedans vous laisserez cheoir le doid qui va sur la lettre. Ce demy rond ◡ estant soulz une lettre, mettez un doid sur la lettre & encor un autre aupres tirerez les deux doids dehors, l'un apres l'autre, que le doid qu'auiez sur la lettre retombe dessus. Ce autre demi rond est different, estant escrit sous trois lettres abc vous laisserez cheoir les doibz iusques sur la lettre, c'est en montant. Cet autre icy est en descendant dba mettez le doid sur la lettre & un autre aupres & tirez les doibs en dehors, l'un apres l'autre. Cette marque icy est le double des deux autres abdba laissez cheoir en montant & descendant. Cette marque s'appelle marteler: qui est mettre le doid sur la lettre le tirer & le remettre incontinent dessus. Cette autre marque , est un accent, les doids estans sur les touches tirez le doid qui est sur la lettre en dehors. Trouvant cette marque :S: il faut recommencer le couplet Cette marque en la bataille qui est tirer la dixieme avec deux doids de la main gauche comme un coup de canon, sinon on le peut laisser. En toutes ces marques on ne touche la corde q'une fois & qui le voudra sçavoir mieux qu'il me parle

A TRES ILLVSTRE ET EXCELLENT
PRINCE
MONSEIGNEVR LE DVC DE CRVMAV ET PRINCE DEGGENBERG ETC
Ambassadeur Extraordinaire pour Sa Maieste Imperiale
à Sa Saincteté VRBAIN VIII

Monseigneur

Les Grands Princes comme Vous estes ne recerchent autre fruict de leurs bienfaicts que la gloire de Satisfaire a leur propre generosite: & ceux qui leur Seruent de Subiect pour exercer leur liberalité, ne peuuent S'en montrer plus dignement recconnoissans, que de publier à tout le monde de les auoir receuZ. Vostre Excellence qui m'a fauorisé en tant d'occasions, m'accordera Si luy plaist, les moyens d'en user ainsi, prenant Soubs Sa protection ce petit ouurage de ma composition, affin qu'ayant obtenu un aueu Si glorieux, il puisse hardiment Se trouuer entre les mains des honnestes gens, & leur dire que V.E. m'a donné le courage de le mettre en lumiere. L'aprobation d'un prince qui entend Si parfaitement la musicque me faict esperer qu'il y Sera bien receu, Si ie Suis asseZ heureux pour obtenir ce que ie m'en prometZ, ce Sera icy la moindre partie de ce que ie proiette, ne me proposant autre but à mes labeurs que de faire voir a tous combien ie Suis Sensible aux obligations que ie vous ay, & auec quelle passion ie cheris l'honneur de me pouuoir dire

Monseigneur de V.E.

Le tres humble & obeissant Seruiteur
P. Gaultier Orleanois
